

March 5, 1976

CLERK: 2 ayes to adopt the Committee amendments, Mr. President.

SENATOR SIMPSON: Senator Warner, for what reason do you rise?

SENATOR WARNER: I was wondering if the Clerk would identify the Senators that are absent. I was trying to identify those who would be influenced.

SENATOR SIMPSON: Senator Warner, there's no way to know if all of them would be influenced or if it's only a portion of them, so I would not require such.

Young fellow in the middle there, would you wish to speak?

SENATOR F. LEWIS: Have you already called for the record vote? Is that what you've done?

SENATOR SIMPSON: I have not called for the vote yet. We have not announced it. The Clerk is talking about it, but I haven't taken it yet.

SENATOR F. LEWIS: I'd like everybody on the line. I'd like a roll call vote on this issue.

SENATOR SIMPSON: Clerk will call the roll.
